A place where you can't hide or even try to recommend
A being's living there that you cannot overcome
Don't even try to fight such an evil entity*

Look's like a Rubber Man
A Rubber Man..
Look's like a Rubber Man*

such a dark place.. in the sky where nobody ever lived.
A planet so remote that the human kind forgot,
but the presence of the beast, will live for ever.*

02:11 Refrain

*A Rubber Man..
Look's like a Rubber Man
A Rubber Man..
Look's like a Rubber Man*
